NOTE:

By letter 4/27/71 we alerted the Attorney General (AG) that the news media had received additional copies of stolen FBI documents. We are now furnishing AG with pertinent information regarding several of these documents involving five substantive cases. Our letter to AG highlights additional irresponsible news publicity including fact that "Star" published quotes from one document which they knew was classified "Secret." We further alerted AG that a subject of our investigation, who had been mailed copies of stolen documents pertaining to him, was not at all disturbed by our inquiries and, in fact, during interview, complimented us on our alertness and acknowledged and accepted the need for Bureau to identify individuals in contact with Soviets. Reference is made to my letter of April 27, 1971, which reported that the Washington bureau of the "Los Angeles Times" furnished us copies of additional stolen FBI documents which had been mailed to them by The Citizens Commission to Investigate the FBI. *u*

DATE: **4-10-87****12/18/89 PJB**

Enclosed for your information is a summary of pertinent data relating to several of these documents. *u*

One item pertains to our efforts to identify three unknown individuals who visited the Soviet Consular Office, Washington, D. C., July 22, 1970. Subsequent investigation identified these individuals, one of whom is [redacted]. The Citizens Commission to Investigate the FBI had mailed to [redacted] copies of two FBI documents reporting our investigation of him. On April 22, 1971, [redacted] voluntarily furnished these copies to our Philadelphia Office commenting that he was not disturbed by the fact that his identity was being sought by the FBI. He said that he realized that the FBI had a duty consistent with internal security responsibilities to investigate individuals in contact with the Soviets. *(S) (C) (U) (F) (E) (J) (K) (L) (M) (N) (O) (P) (Q) (R) (S) (T) (U) (V) (W) (X) (Y) (Z)*

Another matter compromised was our investigation of [redacted]. We received information from the United States Army that [redacted] was in contact with East German organizations concerning his attendance at an East German youth camp. When our inquiries determined that [redacted] was 14 years of age, the investigation was terminated. An article appearing in the April 24, 1971, edition of "Evening Star," a Washington, D. C., newspaper, noted that [redacted] *(S) (C) (U) (F) (E) (J) (K) (L) (M) (N) (O) (P) (Q) (R) (S) (T) (U) (V) (W) (X) (Y) (Z)*
